Electrical Chain Hoist and Truss Order Form

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

AUA 2018 Annual Meeting
Moscone Center, San Francisco, CA
May 18 - 21, 2018

Discount Deadline Date:
May 1, 2018

Company Name
Email
Phone Number
Booth Number

Easy Ordering Tips:

- Sign and/or truss points exceeding 200 lbs. will require a hoist.
- Order your chain hoists and truss through GES and save transportation and freight charges as well as costly downtime.
- Hoist and rotating motors include: transportation charges, and drayage fees. When ordering your hoists and/or truss directly from GES, we will install on straight time prior to your arrival, if possible.
- GES Supplied rigging hardware is chargeable and will be added to invoice.
- If you are using an outside vendor to provide your equipment you are required to order temporary truss power for your chain hoists. Use one (1) 10 Amp 208/3 phase for every two (2) motors. For six (6) or more motors use one (1) 60 Amp 208/3 phase outlet. Please order power by filling out form E-2 provided in this manual.

Step 1. Order Chain Hoists

CM Lodestar Chain Hoists

Electrical Chain Hoist and Truss Order Form

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

Discount Deadline Date: May 1, 2018

Company Name
Email
Phone Number

Step 2. Please Indicate Service

Option 1
- Exhibitor Supervised (Do not proceed)
  - You must schedule date & time below as well as # of electricians and estimated hours.
  - GES assumes no liability for loss, damage or bodily injury arising out of the installation and/or dismantling of Exhibitor's property by GES provided union labor. Exhibitor assumes the responsibility and any liability arising therefrom, for the work performed by union labor under Exhibitor's supervision.
  - Exhibitors must stay clear during movement of freight.
  - Labor cannot be scheduled prior to assigned target date.

Option 2
- GES Supervised (OK to proceed without exhibitor.)
  - There is no charge for this supervision
  - This option is highly recommended so that work can be completed prior to your arrival onsite.
  - If left unchecked and a booth layout is available, GES will proceed with the floor work.

Please include Electrical Layout Form, or provide your own detailed drawing, for placement of main drop locations (MDL), outlets and fixtures. Regular rates will be applied, regardless of when the order was received, if either is not provided with your electrical order.

Exhibitor is responsible for providing surge protectors for their Goods. GES is not responsible for loss or damage resulting from power surges. Furthermore, GES' liability for any and all loss or damage is limited to the value of the cost of electrical services provided or depreciated value of Goods, whichever is less.

## AUA 2018 Annual Meeting
Moscone Center, San Francisco, CA
May 18 - 21, 2018

Discount Deadline Date:
May 1, 2018

### Easy Ordering Tips:
- A full line of accessories and custom systems are available. Please call 650.333.1692 for more information.
- When ordering your hoists and/or truss directly from GES, we will install on straight time prior to your arrival, if possible.
- Priority Move-In: Delivery, installation/rigging, rental, temporary electrical motor power, 1/2 hour initial focus time and dismantling are included in package price.
- Please include Booth Layout form for placement of your truss.
- Please provide us with a drawing (a .dwg file) showing the placement of your trapeze and par fixtures. Also, please indicate on your drawing the focus direction for each fixture.
